

YOUR FAMILY. YOUR CALL.

Help protect your family—and your peace of mind—with Verizon Safeguards.

Verizon Safeguards give account owners the tools to manage their family's wireless environment in a way that fosters parent-child engagement. Account owners can gather information for family dialogue, pre-set usage limits, block the numbers of unwelcome callers, decide which of three content ratings is right for their family members, locate their family members' phones and employ a wide range of other protective tools. Visit verizonwireless.com/safeguards for access to these tools.

Usage Controls

Get the tools you need to help protect against overage charges and monitor your children's phone use. With Usage Controls you can set voice, text, data and purchasing allowances, restrict device use during certain times of the day, receive alerts when a family member dials 911, block access to selected services, and more. For more information, visit verizonwireless.com/usagecontrols

Content Filters

Filter materials your children might access on their wireless device—including pornography but also apps, music, videos, games and Mobile Web. There are three age-specific levels of filtering:

- Content recommended for ages 7 and older. Includes content similar to TV-G, G-rated movies and E-rated games.
- Content recommended for ages 13 and older. Includes content similar to TV-PG/TV-14, PG-13-rated movies and T-rated games.
- Content recommended for ages 17 and older. May include content similar to TV-MA, R-rated movies and M-rated games.

Parental Controls Center

Ongoing parent-child discussions about proper phone safety and etiquette are an important tool in managing your family's wireless experience. Verizon's Parental Controls Center empowers parents by giving you the information you need to start a healthy family dialogue about topics including responsible phone use, privacy protection, and talking and texting while driving. You'll find articles covering a range of topics, including what you need to know when it comes to your kids and online gaming, the use of Facebook® and YouTube, illegal downloading and more. To learn more about Parental Controls at Verizon and get tips and tools on how to manage your family's digital life, visit parentalcontrolcenter.com

Call & Message Blocking

Stop unwanted callers and texters. Block nuisance calls and texts to your phone or to lines on your account. Block up to five telephone numbers free of charge. You can also stop unwanted emails sent to your phone with Internet Spam Blocking free of charge. To learn more, visit verizonwireless.com/spamcontrols

Total Equipment Coverage

As your children's school and social activities increase, so does the risk of loss, theft and damage to their devices. With Total Equipment Coverage, you're covered for practically everything—including water damage. And, because staying connected to your children is critical, we provide next-day replacement if you file your claim by 12 midnight EST. For more information and eligibility details, visit verizonwireless.com/equipmentprotection

Family Locator

This simple, secure service lets you locate family members by tracking their wireless devices from your PC or phone. Choose to receive arrival and departure updates when family members' devices arrive at or leave locations you've selected, such as school or home. Or set schedule updates to find out where family members' devices are at specific times and dates that you select. For monthly access fees and details, visit verizonwireless.com/familylocator

No parental control solution is 100% effective and should not be used as a substitute for adult supervision.
